Our members have always been instrumental in developing and proactively making our country most sought after economic destination in the world. The developments that are happening in the area of taxation are quite intriguing and regular. Every year major and minor changes are brought in the tax audit forms. Our members having expertise in the area can analyze these forms & ensure compliances to avoid litigation.

Despite the fact that the profession of Chartered Accountancy has diversified in many ways, tax audit is still one of the pre-dominant areas for the Chartered Accountants. Our members keep themselves abreast with ever changing taxation laws and thus are assuming commanding heights in this area and are complying with the professional obligations in an effective manner.

The Institute of Chartered Accountants of India (ICAI) too has always been proactive in disseminating the knowledge and honing the skills of its members. I am really happy to note that yet another step in this direction has been taken by the Direct Taxes Committee of ICAI along with Taxation Audits Quality Review Board of ICAI as they have come out with a checklist w.r.t tax audit so as to assist the members in the effective performance of their professional commitments.

I appreciate the efforts of CA. Tarun Jamnadas Ghia, Chairman, Direct Taxes Committee, CA. Ranjeet Kumar Agarwal, Chairman, Taxation Audits Quality Review Board, CA. Pramod Jain, Vice-Chairman, Direct Taxes Committee and CA. Rajesh Sharma, Vice-Chairman, Taxation Audits Quality Review Board who have worked selflessly for bringing out this checklist in a timely manner.

I am sure this publication will help the members in discharging their professional commitments in a better manner.

Date: 21.10.2020 **Place:** New Delhi CA. Atul Kumar Gupta President, ICAI Taxation continues to be one of the pre dominant areas of engagements for chartered accountants. Provisions requiring mandatory audit of persons carrying on business or profession and having total turnover, sales, gross receipts exceeding prescribed threshold are primarily contained in section 44AB of the Income Tax Act, 1961. By this important section, the Government of India has entrusted the onerous task of auditing books of accounts of such persons with reference inter alia to the provisions of income tax law to assist the revenue to determine total income from business or profession.

Although the tax audit provisions are in place since 01.04.1985 but as the dynamic and ever evolving income tax law undergoes regular changes and the reporting requirements also get updated and amended quite frequently, therefore even though the exercise is yearly but it has kept the tax audit fraternity quite engaged and more busy in the last few months reaching to the prescribed due dates. The fraternity has been putting its best efforts to remain updated on the subject and discharge the responsibilities in a manner that justifies the confidence reposed in it with the result that revenue is enabled with timely and correct reports for its further processes.

Tax Audit Guidance Note of the Institute as supplemented by various supplementary guidance notes from time to time have been found quite useful to the fraternity in discharging its duties more efficiently. But tax audit requirements are time bound and due to frequent changes in the reporting requirements including late changes and as the tax payers take time to compile accounts and reporting requirements and therefore, for various such reasons more and more tasks get carried out towards the fag end of the deadlines.

Under the circumstances, we at the Direct Taxes Committee and the Taxation Audits Quality Review Board of ICAI thought of bringing out a Tax Audit Checklist as an additional handy tool to assist the fraternity to complete the assignments in more objective manner and with consciousness towards related documentations.

I am pleased to place on record my sincere gratitude for the involvements and contributions by the Chairmen and Vice Chairmen of both the committees and the technical secretariat and with the support of all committee members and the valued encouragement and support provided by Hon'ble President and Hon'ble Vice President of the ICAI.

CA. Pramod Jain Vice-Chairman, Direct Taxes Committee, ICAI

CA. Tarun Jamnadas Ghia Chairman, Direct Taxes Committee, ICAI

Date: 21.10.2020 Place: New Delhi Tax Audit under section 44AB of the Income tax Act, 1961 is one of the core areas of practice for Chartered Accountants. Considering the expertise and domain knowledge of Chartered Accountants, the onerous responsibility of Tax Audit was casted on Chartered Accountants through the Finance Act, 1984 to ensure the correct computation of income of the assessee so that loss to the exchequer can be prevented.

The dynamic nature of taxation laws, time and again, led to changes in the reporting requirements of tax audit report which not only widened the scope of audit but also reflected the trust of the Revenue authorities on our members.

ICAI too from time to time provided guidance to its members through Guidance Notes and Technical guides through its Direct Taxes Committee. Apart from providing guidance, ICAI has also a regulatory role to play. Continuing with its commitment to serve the nation and in order to improve the reporting of compliances under various taxation laws (both Direct as well as Indirect), the Council of the Institute has constituted the Taxation Audits Quality Review Board (TAQRB) in the year 2018. It was envisaged that the reviews carried out by the Board will help the members to exercise greater diligence while certifying various reports prescribed under the taxation laws and in long run would improve the overall reporting and certification done by them.

In furtherance to the objective of the Board, that is to bring awareness amongst the members so as to improve the quality, it was thought fit by the Direct Taxes Committee and the Taxation Audits Quality Review Board to prepare a checklist which will assist the member in effective performance of their duties.

This checklist has been broadly based on the text of the Guidance Note on Tax Audit under section 44AB of the Income tax Act, 1961/ Implementation Guide w.r.t. Notification No. 33/2018 dated 20.7.2018 effective from 20.8.2018/ Technical Guide on Income Computation and Disclosure Standards (ICDS). The detailed guidance given in these publications of Direct Taxes Committee of ICAI should be duly referred while conducting the Tax Audit. Members are requested to go through the general instructions thoroughly which have been given in the initial pages of this checklist.

We are sincerely thankful to CA. Atul Kumar Gupta, President, ICAI and CA. Nihar Niranjan Jambusaria, Vice-President, ICAI for being guiding force behind all initiatives being taken by the Board.

We whole heartedly acknowledge the contribution of CA. Tarun J. Ghia, Chairman, Direct Taxes Committee & CA. Pramod Jain,Vice-Chairman, Direct Tax Committee for taking up this project jointly with the TAQRB. We are sure that this joint effort of DTC and TAQRB of ICAI would go a long way in assisting our members in conducting an effective tax audit.

We are extremely thankful to our Council Colleague CA. Satish Kumar Gupta (Convenor), CA. Sanjeev Kumar Singhal (Dy Convenor) & CA. Shriniwas Yashwant Joshi (Member) of the Group, who worked selflessly and dedicatedly to prepare the first draft of this checklist after taking all inputs from various sub-groups formed in this regard. We also appreciate the efforts of our following Central Council Colleagues who formed groups in their respective regions and provided valuable inputs for this checklist; CA. Pramod Jain, CA. Prasanna Kumar D, CA. Aniket Sunil Talati, CA. Pramod Kr. Boob. We are also grateful for the unstinted support provided by the other Board members namely, CA. Babu Abraham Kallivayalil, CA. M.P. Vijay Kumar, CA. Dheeraj Kumar Khandelwal, Dr. Ravi Gupta and Mr. Neelesh Kumar Sah, Principal Director, C & AG (Direct Taxes).

We also appreciate the untiring efforts made by CA. Mukta Kathuria Verma, Secretary, TAQRB and CA. Divya Mongia, Project Associate for providing technical and administrative assistance in preparation of this publication.

General Instructions (To be read in conjunction with the Checklist)

- This document is a joint effort of the Direct Taxes Committee and the Taxation Audit Quality Review Board of ICAI. This checklist is designed to assist the members in enhancing the quality of tax audit under section 44AB of the Income tax Act, 1961. This document is only recommendatory in nature.
- 2. This checklist has been broadly based on the text of the Guidance Note on Tax Audit under section 44AB of the Income tax Act, 1961/ Implementation Guide w.r.t. Notification No. 33/2018 dated 20.7.2018 effective from 20.8.2018/ Technical Guide on Income Computation and Disclosure Standards. The detailed guidance given in these publications of Direct Taxes Committee of ICAI should be duly referred while conducting the tax audit. This document is <u>not to be considered</u> as a replacement / gist of these publications but should be read along with them.
- 3. The above-mentioned publications may be revised from time to time depending on the changes in the Act/ Tax Audit Report Format. In case, there is any conflict between the text of the above mentioned publications of ICAI and this document, the text mentioned in publications Guidance Note on Tax Audit under section 44AB of the Income tax Act, 1961/ Implementation Guide w.r.t. Notification No. 33/2018 dated 20.7.2018 effective from 20.8.2018/ Technical Guide on Income Computation and Disclosure Standards shall prevail.
- 4. While giving the tax audit report the tax auditor will have to use his professional skill and expertise and apply such audit tests as the circumstances of the case may require, considering the contents of the audit report. The tax Auditor will have to conduct the audit by applying the generally accepted auditing procedures which are applicable for any other audit. He is advised to refer to the Standards on Auditing (SAs) as may be relevant, issued by ICAI. In case, there is any conflict between the texts of the Standards on Auditing (SAs) issued by ICAI and this document, the text mentioned in SAs issued by ICAI shall prevail.
- 5. Where the auditor issues Form No. 3CB, as the audit of financial statements is being done under section 44AB of the Income tax Act, 1961, the auditor should in relation to audit of the financial statements ensure compliance of:
 - Accounting Standards issued by ICAI
 - Standards on Auditing
 - Framework for presentation of Financial Statements issued by ICAI

6. Commonly found Errors

The Taxation Audits Quality Review Board of ICAI has come across certain commonly found errors/ noncompliances while conducting review of Tax Audit Reports. Some of them, which need specific attention of members, have been mentioned, below for reference:

a) Revised SA 700, Forming an Opinion and Reporting on Financial Statements (*Para 11.9 of the Guidance Note on Tax Audit under Section 44AB of the Income-Tax Act, 1961*)

ICAI had pursuant to the issuance of the Revised SA 700, Forming an Opinion and Reporting on Financial Statements, prescribed a revised format of the auditor's report on financial statement. Since Form No. 3CA and Form No. 3CB are required to be filed online in a preset form and the same are not in line with the requirements of SA 700, there is no specifically allocated field for providing information relating to the respective responsibilities of the assessee and the tax auditor as required in terms of the principles laid out in SA 700. However, having regard to the importance of these respective responsibility paragraphs from the perspective of the readers of the tax audit report, it is suggested that these respective responsibility paragraphs relating can be provided in the space provided for giving observations, etc., under clause (3) of Form No.3CA or Clause (3) and Clause (5) of Form No.3CB as the case may be.

The illustrative Assessee's responsibility paragraph and Tax Auditor's responsibility paragraphs in respect of Form No.3CB has been given in the Guidance Note. The same are to be suitably reworded to meet the situation envisaged in Form No.3CA.

Commonly Found Errors:

- a) Many of the Tax Audit reports do not have the paragraphs relating to Assessee's responsibility and Tax Auditor's responsibility as required by the Guidance Note in respect of SA 700.
- b) Some of the tax audit reports contained a reference about the attached physically signed tax audit reports which mention these Paragraphs thereby complying with the requirement of SA 700. However, as per the Guidance Note on Tax Audit the same are specifically required to be mentioned / reported under clause (3) of Form No.3CA or Clause (5) of Form No.3CB, as the case may be.

b) Observations/Comments/ Discrepancies/Inconsistencies by Auditor (*Para 14.5 of the Guidance Note on Tax Audit under section 44AB of the Income-tax Act,1961*)

"Where any of the requirements in this form is answered in negative or with qualification, the report shall state the reasons thereof. The tax auditor should state this qualification in the audit report so that the same becomes a comprehensive report and the user of the audited statement of particulars can realize the impact of such qualifications."

Also as per Para 15.5 of the Guidance Note on Tax Audit under section 44AB of the Income-tax Act, 1961:

Under clause (a) of paragraph 3 of Form No.3CB, the tax auditor has to report his "observations/comments/ discrepancies/inconsistencies," if any. The expression "Subject to above" appearing in clause (b) makes it clear that such observations/comments/ discrepancies/ inconsistencies which are of qualificatory nature relate to necessary information and explanations for the purposes of the audit or the keeping of proper books of

accounts or the true and fair view of the financial statements, respectively to be reported on in paragraphs (A), (B) and (C) under clause (b) of paragraph 3. <u>While reporting on clause (a) of paragraph 3 of Form No.</u> <u>3CB the tax auditor should report only such of those observations/comments/ discrepancies/ inconsistencies</u> which are of qualificatory nature which affect his reporting about obtaining all the information and explanations which were necessary for the purposes of the audit, about the keeping of proper books of account by the head office and branches of the assessee and about the true and fair view of the financial statements. Further, only such observations/comments/ discrepancies/inconsistencies which are of a qualificatory nature should be mentioned under clause (a). Any other observations/comments/ discrepancies/inconsistencies, which do not affect the reporting on the matters specified above may form part of the notes to accounts forming part of the accounts.</u> In case the tax auditor has no observations/comments/ discrepancies/ inconsistencies to report which are of qualificatory nature, "NIL" should be reported in this part of paragraph 3.The tax auditor may then give his report as required by sub-paragraphs (A), (B), and (C) of paragraph 3 and paragraph 4.

Commonly Found Error:

In certain tax audit reports that were examined, it has been observed that the qualification paragraph i.e. clause (3) of Form No.3CA or Clause (5) of Form No.3CB, as the case may be, contained a reference to Notes to Form No. 3CD. These notes did not mainly contain the qualifications but also contain general additional information.

As per the Guidance Note (paragraphs mentioned above) only qualifications/ observations should be reported in the space provided in the form No. 3CA/3CB itself while the additional information which are not in the nature of qualification could be attached as notes.

7. Tax Audit and UDIN

While issuing the tax audit report under section 44AB of the Income tax Act, 1961, the Auditor should generate appropriate UDIN and refer the same in its Report. For detailed Frequently Asked Questions (FAQs) on UDIN kindly refer: <u>https://udin.icai.org/faqs</u>

8. Code of Ethics

A member of the Institute in practice shall not accept, in a financial year, more than the "specified number of tax audit assignments" under Section 44AB of the Income Tax Act, 1961. For details the Tax Auditor may refer to Chapter VI Tax Audit Assignments under Section 44 AB of the Income Tax Act, 1961 in Volume-II of Code of Ethics 2020 at: <u>https://resource.cdn.icai.org/60018code-of-ethics-2020vol2.pdf</u>
